

Christ Episcopal School Library

Birthday Book Club

Who? You as parents, can remember your child's birthday in a special and lasting way.

What? The Birthday Book Club allows you to purchase a book in your child's name for the Christ Episcopal School Library. A bookplate inscribed with his or her name and birthday will be placed permanently in the book your child chooses to celebrate your gift to the Library and your child.

When? You and your child will be invited to the Library to pick out a special book. Look in the go-home for times when you and your child may come choose the book for the library.

Why? By purchasing a book for the CES library, you recognize your child's birthday with a lifelong gift. In future years, students will enjoy looking at the Christ Episcopal School Library Birthday bookplates to see who donated the books.
