

INFORMATION AND REGISTRATION FOR EXTENDED CARE

For the convenience of parents and safety of the children, the school administers an extended care program. The philosophy of the program is to provide a well-supervised, home-like atmosphere in which students have the opportunity for free play, structured play, and study time. At the ECC, children enter extended care at 2:30 (or 2:50 if not picked up from carpool) and ends at that location at 4:30. ECC students requiring extended care after 4:30 will be shuttled to the CBC at 2:30. (ECC students will not be able to utilize this service until the week of August 25th.) CBC students will enter extended care 20 minutes after dismissal. The service ends at 5:45 p.m. sharp at the CBC for all students. There is a minimum one hour charge of \$4.00 per hour. A \$2.00 per minute charge is assessed for students not picked up at 5:45.

Note: Billing for extended care is done on a quarterly basis. Payment is due upon receipt of invoice. The Code of Behavior extends to students who are enrolled in the extended care program. A student may be excluded from the program for disciplinary reasons or if payment for extended is seriously past due.
