

**Christ Episcopal School  
Information and Registration for Bus Transportation  
(Mandeville/ Covington south of I-12)**

Christ Episcopal School will again be offering bus service to residents of Mandeville and Covington south of I-12 during the 2008-09 school year. The bus schedule will coincide its drop-off with the "staggered" starting time of 8:10 at the Christwood Blvd. Campus and 8:30 at the lower school. Dismissal at ECC is at 2:30 and 3:00 at the CBC. The attached schedule is preliminary. An updated route schedule will be determined once registration for the service is complete.

**Cost:** The fee for the basic service for one student per year is \$600 assuming the student is picked up and dropped off at a central point. A second student from the same family may ride for \$300 a year. Additional students from the same family ride without charge. These charges will be billed at the beginning of the year and are due upon receipt of the billing.

**Home Drop:** There is limited home drop service available. These requests will added to the route if doing so does not create unreasonable demands on the service. The school, therefore reserves the right to deny home drop service. Families who desire afternoon drop-off at home must pay an additional fee of \$300 per year regardless of how many children from that family ride.

**Pro-rated Service:** Families who want service less than five days a week or for only a portion of the school year may do so for a prorated fee. Families who request full-year weekly service will be given priority on a first to respond basis should the demand for transportation out weigh the bus capacity.

**Shuttle Service between Campuses:** A separate shuttle service between campuses is also available. Please complete the Shuttle Service form.

**The full fee must be paid by August 12<sup>th</sup>. This service is limited and available on a first come, first serve basis.**

**Note: Billing for transportation must be paid in full. The Code of Behavior extends to students who utilize transportation. A student may be excluded from the program for disciplinary reasons or if payment is seriously past due.**
