

CHRIST EPISCOPAL SCHOOL

RECREATIONAL VOLLEYBALL

4th GRADE

We will sponsor teams in a recreational volleyball league for 4th grade girls. These teams will be coached by parents, with an emphasis on participation and skill development. Practices and games will be held at the Christwood Boulevard campus on week day afternoons. We expect to have several other local schools participating. The league will begin in early October. Schedules for games and practices will be determined after sign-up is complete.
