Dear Parents of Students in **Grades 1-8,**

From time to time we would like to take the opportunity to enjoy our surroundings. As a class, we would like to take nature walks or go to Christwood.

In addition to our walking trips, there are several opportunities for us to visit the ECC for chapel services, visits with our little buddies, service learning, and other learning activities.

If you would like your child to participate in the walking field trips and/or the ECC activities, please sign the permission slip below and return it to your child's teacher. While you will be notified in advance of most of these activities (sometimes we take spur of the moment walks to enjoy an especially nice day), we are attempting to minimize the amount of paperwork needed for these experiences.

Thank you for your continued support.
