Dear Parents of Students in **Grades Kindergarten and Pre-Kindergarten,**

From time to time we would like to take the opportunity to enjoy our surroundings. As a class, we would like to walk to the park, the Landing or other Covington areas for lunch/recess/nature walks or other activities which may be related to our class themes or science lessons.

In addition to our walking trips, there are several opportunities for us to visit the Christwood Boulevard Campus for chapel services, visits with our big buddies, service learning, and other learning activities.

If you would like your child to participate in the walking field trips and/or the Christwood Boulevard activities please sign the permission slip below and return it to your child's teacher. While you will be notified in advance of most of these activities (sometimes we take spur of the moment walks to enjoy an especially nice day at the park or the Landing or to seek answers to questions young inquiring minds pose), we are attempting to minimize the amount of paperwork needed for these experiences.

Thank you for your continued support.
