Barn Ambassador

2024 Middle School Application

Student Name: _____

Grade: _____

Homeroom: _____

Do you have experience with animals? ____ If yes, what types of animals do you have experience with?

Barn Ambassadors are trained in the proper handling and care of animals at The Barn. Fall semester training programs are available for guinea pigs, rabbits, goats and snakes. Barn Ambassador training involves ten training sessions on the species of choice. Students may become certified in multiple species.

Barn Ambassadors assist other students with handling the animals and may hold animals on their own at The Barn. In addition, Barn Ambassadors may assist in fundraisers and special events @ The Barn throughout the year.
