

**Position Type:** Part-time high school French teacher, 10-month position beginning August 2025

**Education Level:** Bachelor's degree required, Master's degree preferred

### **Job Description and Qualifications**

The upper school part time French Teacher will teach two periods of upper school French: one French II/French III combo and one French IV/V combo. Candidates must be fluent, near-native if not native speakers of French with high school teaching certification or a K-12 certificate, plus high school teaching experience. Also, candidates for this position should have a passion for teaching the language and culture and have a desire to grow as instructors and mentors of students in the pursuit of helping the students to communicate effectively/proficiently in the target language.

### **Responsibilities:**

- Uphold professional obligations both in and out of the classroom, including but not limited to assigned duties, meetings, parent conferences, in-service training, and school events
- Contribute to a positive faculty culture by building collaborative, collegial, and respectful relationships with colleagues and overtly supporting fellow teachers and administrators
- Maintain professional standards of appearance, courtesy, responsiveness, discretion, punctuality, and attendance and demonstrate a high standard of personal character and conduct at all times
- Consistently demonstrate appropriate planning and preparation for instruction specifically adapted to the instructional needs of each student and each class
- Maintain academic and behavioral standards and expectations for all students
- Demonstrate through words and deeds a genuine commitment to Christ Episcopal School, its mission, its students, its faculty, and its leadership
- Contribute to a safe, supportive school environment for both students and parents by acting with compassion and integrity in all situations, while at the same time maintaining appropriate professional boundaries
- Model the mission, philosophy and goals of the School to all staff, parents, students, and the community

### **Qualifications:**

- Possess a deep understanding of specified content and expectations
- Ability to engage students in frequent hands-on and real-world learning experiences
- Ability to manipulate technology and internet tools for classroom resources and learning/teaching activities
- Knowledge of learning differences and the ability to differentiate instruction in the classroom based on those needs
- Ability to communicate effectively both verbally and in written form in both English and French
- Analytical approach to curriculum, instructional methods, and students
- Flexibility as it relates to classroom management, pacing of curriculum, and student expectations
- Compassion for students, parents, and colleagues
- Perform other duties as assigned by the Upper School Division Head and the Head of School
