

Position Type: Second Grade Teacher, Full-time, 10-month position beginning August 2026
Education Level: Bachelor's degree required

Position Summary: Christ Episcopal School is seeking a dynamic, nurturing, and professional 2nd Grade Teacher to join our Lower School family. The ideal candidate is a "master of the craft" who balances academic rigor with a deep love for children. At CES, our 2nd-grade team works as a unified front to ensure every student receives a consistent, high-quality experience through coordinated pacing and collaborative planning.

Job Description and Qualifications

Candidates for this position should have prior teaching experience and have a desire to grow as instructors and mentors of students.

Responsibilities:

- Uphold professional obligations both in and out of the classroom, including but not limited to assigned duties, meetings, parent conferences, in-service training, and school events
- Contribute to a positive faculty culture by building collaborative, collegial, and respectful relationships with colleagues and overtly supporting fellow teachers and administrators
- Maintain professional standards of appearance, courtesy, responsiveness, discretion, punctuality, and attendance, and demonstrate a high standard of personal character and conduct at all times
- Consistently demonstrate appropriate planning and preparation for instruction specifically adapted to the instructional needs of each student and each class
- Maintain academic and behavioral standards and expectations for all students
- Demonstrate through words and deeds a genuine commitment to Christ Episcopal School, its mission, its students, its faculty, and its leadership
- Contribute to a safe, supportive school environment for both students and parents by acting with compassion and integrity in all situations while at the same time maintaining appropriate professional boundaries
- Model the mission, philosophy, and goals of CES to all staff, parents, guardians, students, and the community

Qualifications:

- Understanding of age-appropriate teaching methods
- Ability to develop and engage students in hands-on learning experiences
- Knowledge of learning differences and the ability to differentiate instruction in the classroom based on those needs
- Ability to communicate effectively both verbally and in written form
- Analytical approach to curriculum, instructional methods, and students
- Flexibility as it relates to classroom management, pacing of curriculum, and student expectations
- Compassion for students, parents, guardians, and colleagues
- Ability to perform other duties as assigned by the Lower School Division Head and the Head of School
