

Position Type: Third Grade Teacher, Full-time, 10-month position beginning August 2026

Education Level: Bachelor's degree required

Position Summary: Christ Episcopal School is looking for an inspiring and organized 3rd Grade Teacher to guide our students through this pivotal transitional year. 3rd grade at CES is where our students begin to tackle more complex abstract concepts in math and deeper analysis in literacy. The successful candidate will be a collaborative team player who can maintain "horizontal curriculum alignment" with their partners while fostering a classroom of independence, curiosity, and kindness.

Job Description and Qualifications

Candidates for this position should have prior teaching experience and have a desire to grow as instructors and mentors of students.

Responsibilities:

- Uphold professional obligations both in and out of the classroom, including but not limited to assigned duties, meetings, parent conferences, in-service training, and school events
- Contribute to a positive faculty culture by building collaborative, collegial, and respectful relationships with colleagues and overtly supporting fellow teachers and administrators
- Maintain professional standards of appearance, courtesy, responsiveness, discretion, punctuality, and attendance, and demonstrate a high standard of personal character and conduct at all times
- Consistently demonstrate appropriate planning and preparation for instruction specifically adapted to the instructional needs of each student and each class
- Maintain academic and behavioral standards and expectations for all students
- Demonstrate through words and deeds a genuine commitment to Christ Episcopal School, its mission, its students, its faculty, and its leadership
- Contribute to a safe, supportive school environment for both students and parents by acting with compassion and integrity in all situations while at the same time maintaining appropriate professional boundaries
- Model the mission, philosophy, and goals of CES to all staff, parents, guardians, students, and the community

Qualifications:

- Understanding of age-appropriate teaching methods
- Ability to develop and engage students in hands-on learning experiences
- Knowledge of learning differences and the ability to differentiate instruction in the classroom based on those needs
- Ability to communicate effectively both verbally and in written form
- Analytical approach to curriculum, instructional methods, and students
- Flexibility as it relates to classroom management, pacing of curriculum, and student expectations
- Compassion for students, parents, guardians, and colleagues
- Ability to perform other duties as assigned by the Lower School Division Head and the Head of School
