

Position Title: Middle School Volleyball Coach

Position Type: Seasonal / Stipend Position

Position Summary: Christ Episcopal School is seeking a positive and enthusiastic Middle School Volleyball Coach to lead and develop student-athletes in a supportive, competitive, and mission-aligned environment. This is a seasonal, non-faculty coaching position. As a non-faculty coach, this position does not include classroom teaching responsibilities but requires close collaboration with school administrators, faculty, athletic staff, student-athletes, and families.

Job Description, Qualifications, and Responsibilities: The ideal candidate will have volleyball playing or coaching experience, strong leadership and communication skills, and a passion for working with middle school students. A minimum of 2-3 years' experience is required. The coach will be responsible for planning and leading practices, teaching fundamental skills and game strategies, coaching during competitions, and fostering a team culture centered on sportsmanship, teamwork, respect, and personal growth.
